

PUBLIC INFORMATION CENTRE (PIC)

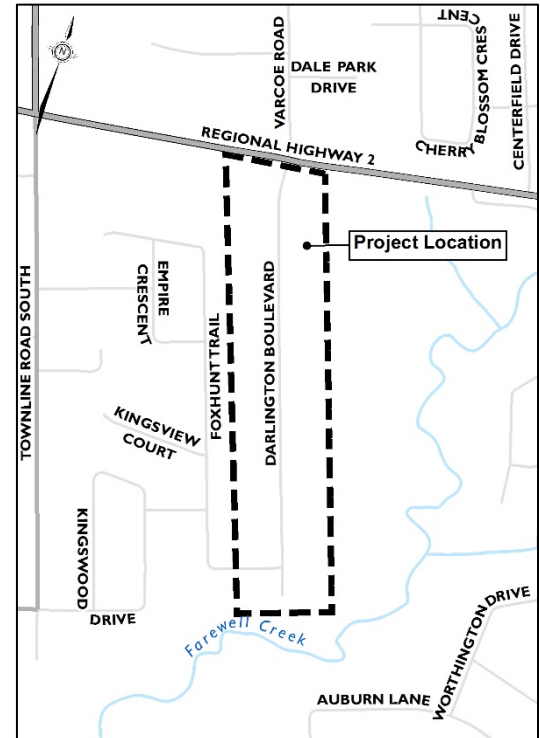

Darlington Boulevard Reconstruction, Courtice

The Municipality of Clarington's 2018 capital work program currently includes for design work for provision of a sidewalk along the full length of Darlington Boulevard. The purpose of this PIC is to investigate options for sidewalk location and to coordinate this future work with a possible need for sanitary sewers, traffic calming components and road section upgrades. In the area.

A Public Information Centre will be held on **Wednesday, January 31, 2018, from 6 to 7:45 p.m.** at the Clarington Public Library, 2950 Courtice Road, Courtice.

The PIC will consist of an informal drop-in centre with displays showing options for sidewalk construction, traffic related information, and traffic calming options. Members of the public are invited to meet the project team, review the presented boards and discuss issues related to the project. Your knowledge of the area and input can provide valuable information for finalizing the design plans.

If you are unable to attend and require further information, you may contact the undersigned. All displays will be posted on the Municipality of Clarington website following the meeting, www.clarington.net. Should you have any questions or concerns regarding the upcoming PIC, please contact:
